PROFESSIONAL SUMMARY

Aspiring Game Developer and upcoming graduate currently holding an Associate's degree in Computer Science and a Bachelor's degree in Game Development. Strong programming background with experience in Unreal Engine, Unity, and Godot. While primarily focused on gameplay systems, also knowledgeable about 3D asset creation and integration using Blender.

SKILLS

- C++
- C#
- Unreal Engine 5
- Unity

EXPERIENCE

Project Built with Win32 API in C++ September 2023 - February 2026

Full Sail University, Winter Park, Florida

- Demonstrated Project development applying C++ and Win32 API, paying attention to its nature and scope.
- Integrated with emphasis to message driven architecture to utilize different techniques from other consol techniques.
- Looked at uses of dialog boxes, Windows common controls, and dynamic-link libraries.

Creation With Techniques Used By Industry Programmers September 2023 - February 2026

Full Sail University, Winter Park, Florida

- Employed the Implementation of reusable application technology.
- Performing algorithm analysis.
- Utilized use of industry tools and platforms to complete projects.

Project Development With 3D Game Engine September 2023 - February 2026

Full Sail University, Winter Park, Florida

- Integrated dynamic interaction of 3D objects utilizing game engine systems.
- Building systems to detect and react to collision between two or more objects.
- Simulated physics addition for more realistic dynamic movements of a 3D object.

EDUCATION

Bachelor of Science in Game Development (B.S.) February 2026

Full Sail University, Winter Park, FL

- Relevant Coursework: Artificial Intelligence, Game Integration, Game Architecture, Engine Development, Systems Programming, Software Engineering, and Physics.

Associates of Science (A.S.) May 2023

Tidewater Community College, Virginia Beach, VA

- Relevant Coursework: Programming with C++, Advanced Computer Organization, and Calculus I and II.
- Computer Club member and Vice President of the Coding Club.

Associates of Baking and Pastry (A.A.) June 2018

Art Institute, Virginia Beach, VA
